Goals & Objectives

- **Replicate the mission environment**

  "Effective understanding of relationship building with Key Leaders produced positive results early"

- **Integration of civilian entities / goals**
  - **Scenario**
  - **Exercise / Training execution**
  - **Decision making**

  "All Non lethal targets need to be developed with PRT (civilian) lead to insure government and NGO participation"

- **Acquire Subject Matter Expertise**

USMC PROGRAMS

- **Pre-deployment Training Programs**
  - **MAGTF TC - Enhanced Mojave Viper (Bn /Sqdn)** — PRT Replication
  - **MSTP - MEF & MEB Mission Rehearsal Exercise** — PRT Replication
  - **MEU PTP** — IA
- **Training Programs**
  - **MAWTS-1**
  - **MWTC**
  - **MCTOG** — IA
- **PME Exercises**
  - **USMC C&S College–**
    - **National Response to Catastrophic and Disruptive Threats Exercise** — IA
    - **NINE INNINGS Exercise** — IA
  - **Marine Corps University** — IA
    - **Emerald Express Interagency Symposium**
- **Experimentation** — IA
  - **MCWL / CIW – Joint Urban Warrior**

Lessons

- **Synchronization of Pre-deployment schedules is difficult**
  - **Not impossible**

- **Can not limit ourselves to just being savvy of IA issues**
  - **Need military personnel proficiently trained to account for IA issues during military planning and executing**

“Battle rhythm included PRT as a valued partner and set the stage for unity of effort”
